DR. P. PERUMAL M.Pharm., Ph.D., FIC.,
Professor & Principal

DECLARATION

In response to the DVV clarification, we would like to emphasize that the computers (105) purchased date are within the assessment period. The first two bills (Invoice No 203 & 53115541071) specifically pertain to computer purchases, while the remaining bills, including the one dated 28/09/2023, cover the acquisition of a printer, camera, and other accessories for various purposes. We recognize the importance of accurate documentation for the assessment process and assure you that the computer purchase is integral to our institution's infrastructure and falls within the stipulated assessment period. We believe that the ambiguity arose due to the inclusion of additional bills related to other equipment. To address this discrepancy, we kindly request that the assessment committee consider the first two bills as evidence of the computer purchase within the assessment period. Kindly requesting the NAAC assessment committee to consider the same.
