## PROMOTING WATER CONSERVATION AT KODIVERI

### EVENT REPORT

**Name of Programme:** Promoting Water Conservation at Kodiveri

**Date of Event:** 15.04.2019

**Place of Event:** Kodiveri

**Number of Volunteers:** 20

**Beneficiaries:** The Beneficiaries of Promoting Water Conservation event are Kodiveri area peoples.

#### Event Description:

The "Promoting Water Conservation" event held in Kodiveri on April 15, 2019, was a crucial and community-driven initiative dedicated to raising awareness about water conservation practices, sustainable water usage, and the protection of water resources. This program exemplified the spirit of environmental responsibility, sustainability, and collective action.

#### **Program Activities and Highlights:**

##### **Water Awareness Workshops:**

The core activity of the event included workshops and interactive sessions where participants learned about the importance of water conservation, responsible water usage, and the impact of water scarcity on communities and ecosystems.

##### **Community Engagement:**

Attendees were encouraged to actively engage in discussions and share their insights and experiences related to water conservation.

##### **Practical Demonstrations:**

The program included practical demonstrations of water-saving techniques, such as rainwater harvesting and efficient irrigation methods, providing participants with tangible solutions for sustainable water management.

#### Program Outcome:

The Promoting Water Conservation event in Kodiveri on April 15, 2019, resulted in several significant outcomes:

##### **Increased Awareness:**

The event raised awareness about the critical need for water conservation and the role of individuals and communities in safeguarding water resources.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

## **Behavioural Change:**

Attendees left with a heightened sense of responsibility and commitment to adopting water-saving practices in their daily lives.

## **Community Empowerment:**

The program empowered community members with practical knowledge and tools to address water-related challenges effectively.

## **Long-term Sustainability:**

The event initiated a ripple effect, with participants and community members continuing to prioritize water conservation and sustainable water management practices.

The "Promoting Water Conservation" event in Kodiveri on April 15, 2019, was a testament to the community's dedication to environmental sustainability. It not only raised awareness about water conservation but also provided actionable solutions and inspired individuals to become stewards of their local water resources. This event underscored the importance of collective action in addressing water-related challenges and ensuring a sustainable water future for all.
