TOBACCO AWARENESS CAMPAIGN AT KALLIPATTI

EVENT REPORT

Name of Programme: Tobacco Awareness Campaign at Kallipatti

Date of Event: 12.12.2022

Place of Event: Kallipatti

Number of Volunteers: 20

Beneficiaries: The Beneficiaries of Tobacco Awareness Campaign are Kallipatti village peoples.

Event Description:

The "Tobacco Awareness Campaign" held in Kallipatti on December 12, 2022, was a critical public health initiative aimed at educating the community about the dangers of tobacco use, promoting tobacco cessation, and raising awareness about the associated health risks. This program exemplified the spirit of health promotion, community engagement, and proactive efforts to combat the harmful effects of tobacco.

Program Activities and Highlights:

Educational Workshops:

The core activity of the event featured educational workshops and presentations on the health risks of tobacco use, including smoking and smokeless forms of tobacco.

Counselling and Support:

Attendees had the opportunity to engage with healthcare professionals and counsellors who provided guidance and support for individuals looking to quit tobacco use.

Anti-Tobacco Pledges:

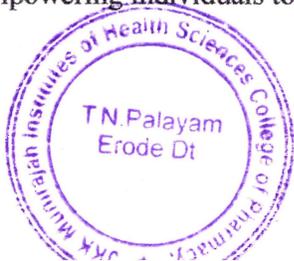

Community members were encouraged to take Anti-Tobacco pledges, committing to a tobacco-free lifestyle and advocating for tobacco control in their community.

Program Outcome:

The Tobacco Awareness Campaign in Kallipatti on December 12, 2022, led to several significant outcomes:

Increased Awareness:

The event successfully raised awareness about the health risks associated with tobacco use, empowering individuals to make informed choices regarding their tobacco consumption.

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Tobacco Cessation:

Attendees received counselling and support to quit tobacco, potentially leading to improved health and a reduced prevalence of tobacco use in the community.

Community Engagement:

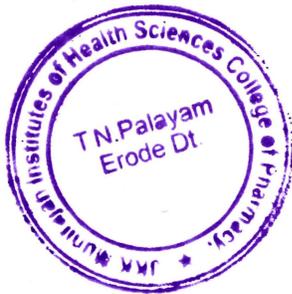

The program fostered community engagement and unity in advocating for tobacco control, emphasizing the role of individuals and communities in reducing tobacco-related harm.

Advocacy:

The anti-tobacco pledges likely encouraged attendees to become advocates for tobacco control, contributing to broader efforts to combat tobacco use.

The "Tobacco Awareness Campaign" in Kallipatti on December 12, 2022, was a critical public health initiative that aimed to reduce the prevalence of tobacco use and raise awareness about its harmful effects. It not only educated individuals but also empowered them to take action against tobacco, promoting a healthier and tobacco-free community. This event served as a reminder of the collective effort required to combat tobacco-related harm and protect public health.
