

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

4.1.1 AVAILABILITY OF ADEQUATE INFRASTRUCTURE AND PHYSICAL FACILITIES VIZ., CLASSROOMS, LABORATORIES, ICT INFRASTRUCTURE, FACILITIES FOR CULTURAL AND SPORTS ACTIVITIES, GYMNASIUM, YOGA CENTRE ETC. IN THE INSTITUTION

4.1 Physical Facilities

The institution has good infrastructural facilities and pedagogical methodologies for teaching learning process, which are maintained and upgraded according to the requirement to meet the regulatory requirements of Pharmacy Council of India (PCI) and The Tamilnadu Dr. MGR Medical University (TNMGRMU). The classrooms are ventilated and equipped with LCD projectors to facilitate effective teaching-learning. Laboratories with required instruments and infrastructural facilities for effective operations for students. A confidential room is available for examinations. The Institute has ICT equipped Conference / Seminar Hall, Class rooms, museum and medicinal garden. The library is updated with KOHA software with more than 4190 books, subscription for e-books, e journals, printed journals, DELNET, E-Consortium along with computers networking. The Institute has central and departmental store room, with chemicals, glassware and equipments required for the laboratories. Stock registers are maintained for equipment, glassware and chemicals separately. Students are trained and promoted to use sophisticated instruments like Dissolution test apparatus, Rotary tablet punching machine, viscometer, Spectrophotometer –UV, HPLC etc. Institute maintains SOPs for all the instruments and monitors their usage through log books. Laboratories are well ventilated and equipped with fire safety instruments to ensure safety. The institution has established NSS unit, for inculcating the service-oriented attitude among students for their all-round development. Placement cell has been established to take care of on-campus and off-campus drives and employability training sessions for the students. To implement, maintain and sustain the quality education at the Institute, IQAC cell has been developed in addition to ISO quality frame work. Every work place at the Institute has network connectivity with internet access through LAN and Wi-Fi. The Institute has girls and boys common room and sickroom separately. The campus is monitored by 42 CCTV cameras for security and safety. Institute has a generator facility of 82.5KVA.

ACADEMIC FACILITIES & TEACHING LEARNING FACILITIES

ROOM	DESCRIPTION	COUNT
Class rooms	Spacious class rooms with green colour glass boards (Chalk), LCD projectors etc	15
Laboratories	Well equipped with multiple set of equipment and instruments along with furniture and infrastructure to carryout practical experiments and research.	19
Seminar Hall	Completely furnished with ICT facility such as LCD projector, internet and audio system	02
Library	Well equipped with books to facilitate teaching learning process and digital library facilities	01
Machine Room	Equipped with different machineries exclusively for pharmaceuticals like rotary tablet punching machine, tablet dissolution apparatus, ball mill, drying unit etc.	01
Instrumentation Room	Occupied with most sophisticated equipment like HPLC, Flame photometer, Colorimeter, Double beam UV Spectrophotometer etc	01
Digital Evaluation centre	Equipped with multiple computers and CCTV with Wifi and internet connectivity as per university norms (TNMGRMU)	01
NSS Room	A Separate room is maintained for NSS	01
IQAC Room	A separate room with 7 computers with printers (Colour and Black and white) is maintained.	01
Placement cell Room	A Placement cell is maintained in the college with separate faculty for managing	01
Chemical Store	2 Chemical stores available	02
EDC	Entrepreneurship Development Cell (EDC) is maintained in the campus	01
Alumni room	An extra space is equipped with required facilities for maintaining the alumni activities in the college	01
Museum	A central museum is maintained in the campus with crude drugs for pharmacognosy, different dosage forms for pharmaceuticals and different models for anatomy and physiology	01
Medicinal Garden	Different variety of medicinal plants are maintained in and around campus	01
IIC & Project Innovation	Institution Innovative Council	01
DIC	Drug Information Center	01
Model Pharmacy	A model pharmacy is established to cater the need for the students to learn about pharmacy.	01

ADDITIONAL INFRASTRUCTURE

PARTICULARS	DESCRIPTION
Power	100 KW electrical grid power supply from Tamilnadu Electricity Board, backup power supply from generator with a capacity of 82.5KVA
Networking	Every work place at the institution, including faculty rooms, computer lab, and library and administrative office have network connectivity with internet access through LAN / Wi-Fi.
Transport	32 Buses are available for students and staff to travel from various places to the college campus and for the return
Community service	National Service Scheme are functioning in our college, organising blood donation camp, village cleaning programmes and other social awareness programmes.
RO Plant and drinking water facilities	Providing hygienic water facilities to the students and staff members
Reprography Section	Students and staff can avail facilities such as xerox, print out, scanning etc.,
Sick room	A separate room is provided for the students in the campus who are not physically well
Common Room - Boys	A separate common room is maintained in the campus
Common Room - Girls	A separate common room is maintained in the campus
Hostel Facility	Separate hostels for girls, equipped with excellent furniture, RO system, sports equipment.
Mess Facility	Students are provided with excellent mess facility to have their breakfast, lunch and dinner.
Solar	3KV solar is maintained in college premise
Biogas	Providing 1CBM portable biogas plant at our canteen premise for the proper waste management and are feeding of 6 kg food waste daily.
Napkin Incinerator	2 separate napkin Incinerator is maintained in ladies hostel
Conference Room	Separate conference room with ICT facilities
Board Room	Separate space is maintained for management authorities
Health Center	A full stretched health centre with full time medical officers round the clock is made available.

4.1.1 PHYSICAL FACILITIES

JKK Munirajah Institute of Health Sciences College of Pharmacy boasts a picturesque and verdant campus, pleasing architectural design, an environmentally conscious atmosphere, expansive and well-equipped classrooms, state-of-the-art laboratories, centers of excellence in cutting-edge fields, and commendable infrastructure spanning to 7.2 acres in a pollution free natural ambience along the western ghats.

Classrooms

The college features classrooms that are well furnished with care, spacious, adequately ventilated, and brightly illuminated. Classrooms adhere to standards for optimal visibility and audibility, with each room furnished appropriately. They are equipped with essential amenities, including blackboards, projectors, fans, lights, and power backup, ensuring a well-maintained environment. A total of 15 classrooms are equipped with LCD projectors and LAN/Wi-Fi connectivity.

Laboratories

The institution possesses laboratories that are adequately furnished, and each of them has been established in compliance with the statutory guidelines provided. Sufficient equipment is provided in accordance with the syllabus to carry out experiments. Students have access to laboratories beyond regular working hours as per their requirements. Safety protocols are adhered within the laboratories and strategically implemented throughout their locations.

Seminar Hall

The Institute features a seminar hall in the annexure building with designated seating capacities, along with an auditorium designed for hosting seminars, conferences, guest lectures, workshops, and significant events for both students and faculty. Each seminar hall is outfitted with whiteboards, elevated platforms, Power backup, LCD projectors, and internet connectivity.

Online Teaching Facility

The Institute is equipped with 14 lecture halls featuring smart digital boards, audio and video systems, and internet connectivity. This infrastructure fosters an enriched and interactive learning environment, including sessions with external experts from both industry and academia.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Computing Equipment

The institution is equipped with 105 computers. The Institute has dedicated computer lab for conducting classes and simulation experiments, aimed at enhancing the technical skills of the students.

Knowledge Resource Centre (Library)

The Institution acknowledges the significance of the Knowledge Resource Center (KRC) as a valuable learning resource. It undergoes regular updates, incorporating the latest books and journals. The Knowledge Resource Center (KRC) grants access to faculty, staff, and students. The Knowledge Resource Center (KRC) encompasses a floor area of 6000 sq. ft and is equipped with reprographic facilities. Additionally, KRC utilizes the Online Public Access Catalogue (KOHA) to provide access to its facilities and digital library. The digital library is equipped with 17 systems that have internet access. Subscriptions to E-Journals are obtained from Delnet, New Delhi and E-Consortium, maintained by The Tamilnadu Dr. MGR Medical University, Chennai. These platforms facilitate students remote access to all the subscribed electronic resources. Three newspapers are provided on a daily basis. (Dinathanthi, The Hindu, The Hindu Tamil) Furthermore, the Institution has Hard copy subscriptions to 7 National and 12 international journals, along with Professional Magazine and dailies.

Transport, Medical and Canteen Facilities

The Institute offers transportation services through college buses for students and staff to various parts of different districts. We provide first aid facilities and maintain a health centre within the campus to attend to any medical emergencies. Hygienically prepared food is served in the college canteen for both faculty and students.

The institution possesses ample facilities for cultural activities, sports, both indoor and outdoor games, a gymnasium and a yoga centre, among other amenities.

Participating in sports is essential for shaping one's personality and preserving good health. JKKMIHSCP, TN Palayam, has fostered a sports-friendly environment. The institution is outfitted with several sports facilities to keep our students actively involved in improving their physical fitness and to offer training for participating in various sports and games at both the district and state levels. The college provides ground facilities for playing ball badminton, volleyball, badminton, and tennikoit etc. The college boasts a cutting-edge, International-standard multipurpose indoor stadium for playing badminton, table tennis, chess, and carrom.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Ensuring the well-being of both the body and mind, the institution prioritizes the health and fitness of students. A contemporary gym, equipped with the latest state-of-the-art equipment, is available for both male and female students. Engaging in regular physical activities can aid in preventing or managing various health problems and concerns. The gym includes a primary workout area that is typically partitioned into a free weights section, comprising dumbbells and barbells.

Apart from sports and gym amenities, our college has Instituted a proficient yoga club to foster the habit of practicing yoga. Yoga signifies unity of harmony of the body with consciousness and consciousness with the soul. Yoga, an ancient yet flawless science, encompasses the evolution of humanity through physical fitness based on postures. This transformation encompasses all facets of an individual's existence, spanning from physical health to self-realization. It brings enlightenment to those who practice it consistently. It cleanses the body by eliminating toxins and empowers individuals to face life's challenges. Students derive substantial benefits from on-campus yoga classes, as it aids in alleviating the tension and stress associated with higher education.

To foster students' participation in extracurricular activities, the institution encourages them to engage in various competitions such as elocution (in Tamil and English), drawing for awareness programs, poster making, essay writing, debate, and video production. Students are motivated to take part in competitions hosted by other colleges as well.
